INDUSTRIAL VISIT

The Electrical Department of C.U.Shah Technical Institute of Diploma Studies, Wadhwanacity organized a one day Industrial visit to Narmada Hydro Power Plant, Kevadia Colony, Gujarat (India) on 4th October, 2013 for third semester Electrical Engineering students. Visit was organized with the prior permission and Guidance of Honorable Principal Prof. **N.M. Sureja**. It was supported by Respected HOD Prof. **V. V. Chavda** along with Department coordinators: **Mr. A.B. Chauhan, Mr. H.B. Shah, Ms. A.P. Dave & Ms. D.P. Parekh**. Total 117 students and 4 staff members visited the Site. Students have following Places at the site;

1. Power Installation Site
2. Control Rooms
3. Narmada Main Canal
4. Other related Places.

Knowledge Gained by students:

After completion of the visit the students have got the idea about;

- Layout of a Hydro Power Station.
- How much power is generated over there.
- Idea about the costing of Power generation.
- Knowledge about the location and rating of the Equipments.
